The 2018 Georgia election includes all constitutional officers (Governor, Lt. Governor, Attorney General, Insurance Commissioner as well as 56 State Senators and 180 State House Members. Please support your PAC to defend family medicine and our patients.

The Georgia Academy of Family Physicians is the only association in the state of Georgia solely dedicated to advocating for **OUR** profession and patients.

GAFP PAC is nonpartisan and provides education to all who seek public office. A candidate's commitment to the values of family medicine determines the support from the GAFP PAC.

All 2018 donors will be invited to exclusive advocacy insiders' activities and information on State and National Elections.
