

Join us for the Cardiovascular Learning and Action Network Program Launch: Saving Hearts in Georgia through Reduction of Healthcare Disparities

Date: Saturday, November 15th, 2014

Time: 10:30am–12:30pm

Location: The Westin Buckhead

East & West Paces Room, 4th Floor

3391 Peachtree Rd. NE

Atlanta, GA 30326

This is a Free Workshop

The Million Hearts® word and logo marks, and the Be One in a Million Hearts® slogan and logo marks and associated trade dress are owned by the U.S. Department of Health and Human Services (HHS). Use of these marks does not imply endorsement by HHS. Use of the Marks also does not necessarily imply that the materials have been reviewed or approved by HHS.

Held in conjunction with the Georgia Academy of Family Physicians' Annual Scientific Assembly, this session will discuss the Million Hearts® initiative and the physician and community's role in improving heart health. In addition, attendees will be able to collaborate and begin a dialogue on improving the health care for Georgians. We welcome health care professionals, patients, and community organizers striving to improve heart health.

Learning Objectives:

- Recognize the value of community collaboration
- Discuss the Million Hearts® national mission, how to participate, and PLEDGE
- Gain updated knowledge of current clinical guidelines and healthcare disparities
- Provide an opportunity to enroll in a quality initiative to satisfy your Part IV MOC QI activity requirements

This education activity is supported by an educational grant from GMCF.
