

Free Assistance for ABFM Maintenance of Certification Part IV

*Do you need help with
ABFM Maintenance of Certification Part IV?*

Alliant Quality is the QIN-QIO (Quality Innovation Network-Quality Improvement Organization) for Georgia and North Carolina.

The Cardiac Quality Improvement Initiative is an approved alternate activity for Maintenance of Certification Part IV—Performance in Practice that satisfies the ABFM MC-FP requirements.

This free initiative is a part of Million Hearts®, which focuses on improving and measuring progress on the ABCS of cardiovascular health:

- A**spirin as appropriate
- B**lood pressure control
- C**holesterol management
- S**moking screening and cessation counseling

This activity has been approved by the American Board of Family Medicine for Maintenance of Certification for Family Physicians Part IV credit. Term of approval is for two years beginning October 1, 2014, with the option for yearly renewal thereafter. Participants who successfully complete this activity will receive MC-FP credit for 1 Part IV module or 20 Part IV points, as appropriate.

In partnership with:

GEORGIA ACADEMY OF
FAMILY PHYSICIANS
SPECIALIZING IN ALL OF YOU

Physicians receive the following free assistance during this 1-year project:

- Onsite and virtual QI coaching on satisfying Part IV MOC requirements
- Access to patient and providers tools and resources
- Learning and sharing of best practices on quality improvement processes and methodologies

To enroll or to learn more about this free program, please fill out the fields to the right and click the submit button, or save and return by email or fax to:

Angela Flanigan at
aflanigan@gafp.org
Fax: 404-321-7450

We will follow-up with a participation agreement to complete your enrollment in the MOC activity. Thank you for your interest.
