

Georgia Department of Public Health Resources

<https://dph.georgia.gov/>

1

The screenshot shows the website interface for the Georgia Department of Public Health. At the top, there is a navigation bar with the department's logo and name, a search icon, and a list of menu items: About DPH, Health Topics, Vital Records, Women and Children, Immunization, Epidemiology, and Environmental Health. Below the navigation bar is a large banner for COVID-19. The banner features the text "our mission prevent disease, injury & disability promote health & well-being" on the left and a graphic of blue coronavirus particles on the right. The graphic includes the text "COVID19GA", "COVID-19", and "CORONAVIRUS DISEASE". At the bottom right of the banner is the Georgia Academy of Family Physicians logo.

2

The screenshot shows a web browser window with the URL dph.georgia.gov. The page is divided into two main sections. The left section, titled "COVID-19 in Georgia", includes links for "COVID-19 Daily Status Report", "COVID-19 Response in Georgia", and "Governor Kemp's News Conferences: COVID-19 Update". The right section, titled "Contact COVID-19 hotline", provides information about a new hotline for those experiencing symptoms or exposed to the virus, and lists the hotline number as (844) 442-2681.

DPH hotline number for the general population – not for clinicians to reach DPH. (844) 442-2681

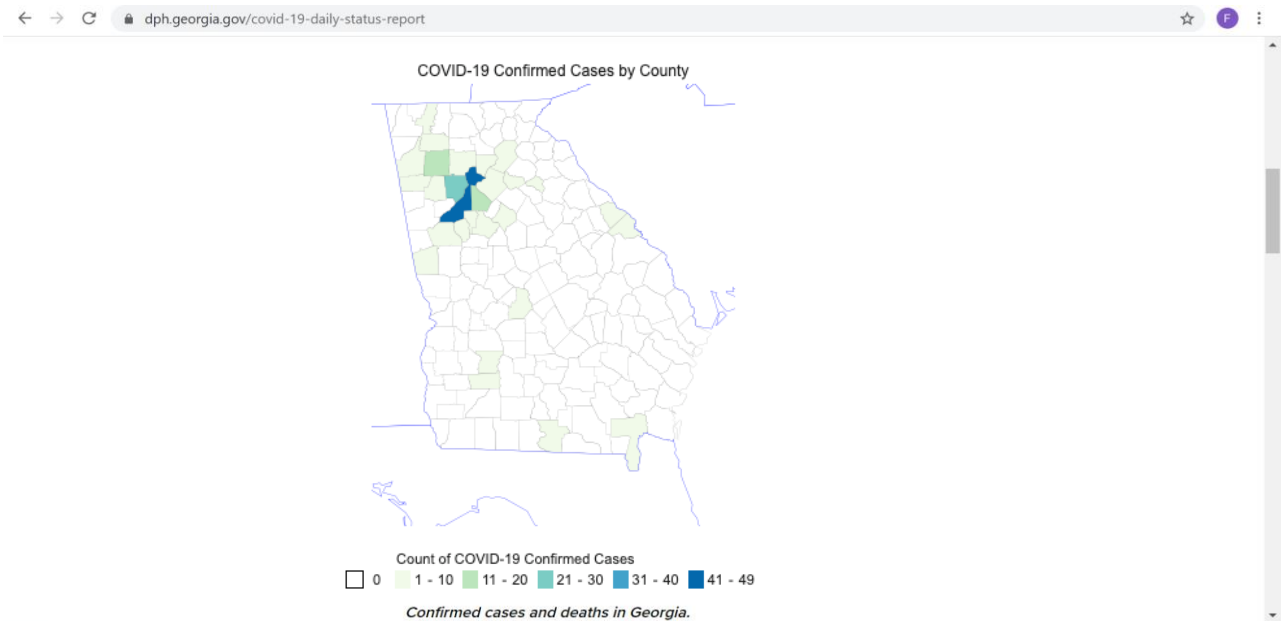

3

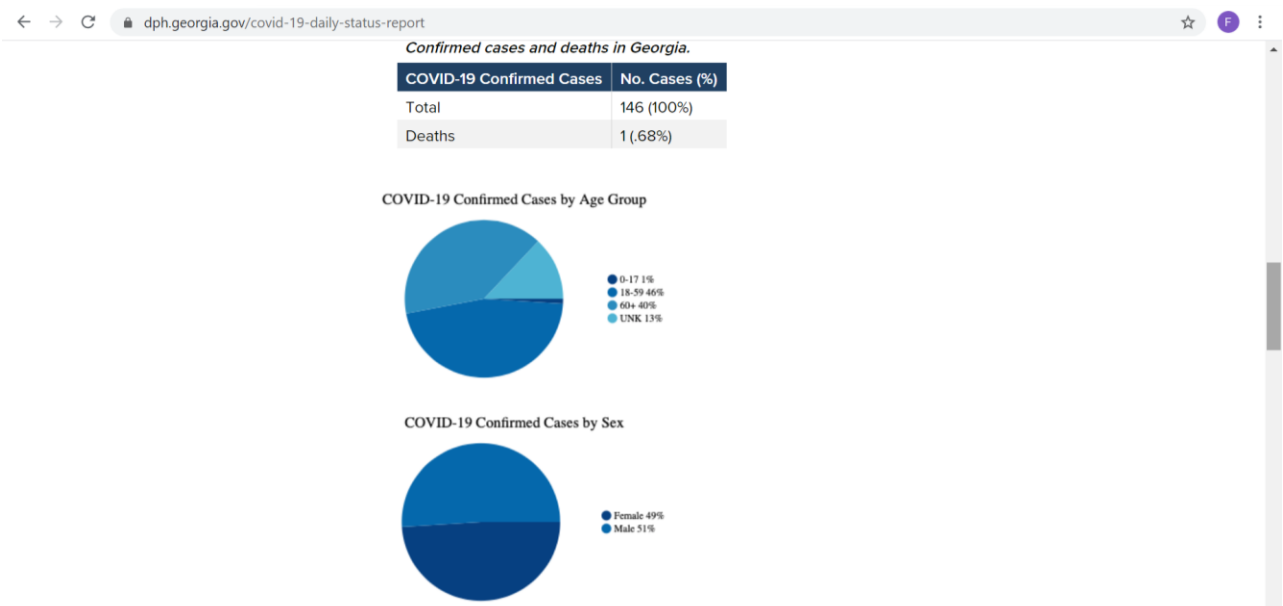

The screenshot shows the "Georgia Department of Public Health COVID-19 Daily Status Report" page. The report is for 03/17/2020. It states that updates to the COVID-19 data tool are provided at NOON every day. The data represents confirmed cases reported to the Georgia Department of Public Health as of 12:00pm on 03/17/2020. A confirmed case is defined as a person who has tested positive for 2019 novel coronavirus.
