

## **GAFP'S 2020 CONGRESS OF DELEGATES: CALL FOR RESOLUTIONS**

The Georgia Academy of Family Physicians is seeking resolutions for the 2020 Congress of Delegates (COD) meeting. Last year, the COD tackled issues such as coverage for HIV testing and treatments, remove barriers to physician credentialing in rural and physician-shortage, and obstetric privileges for family physicians.

What is the Congress of Delegates, you ask? The GAFP Congress of Delegates is a governing body of the Academy that can set policy. It meets annually at the GAFP Annual Meeting to vote on and ratify decisions that are made by the Board all year, as well as to hear and vote on resolutions from all members.

We are soliciting your ideas and leadership in proposing resolutions for this year's Congress of Delegates, the first session will be a live webinar/conference call on **Thursday, October 29, at 6:00 pm** and the final session will meet on **Thursday, November 12** in conjunction with the Annual Meeting held at The Avalon Hotel in Alpharetta.

Do you need help writing your resolution? Staff and Speaker Carl McCurdy, MD and Vice Speaker Monica Newton, DO are available to assist you, contact Angela Flanigan at [aflanigan@gafp.org](mailto:aflanigan@gafp.org) or 800.392.3841.
